

A ROMANCE BETWEEN THE LAND AND THE SEA

INTRODUCING ASIA CRUISE TOURS

IN TRAVEL PLANNING, TIMING IS EVERYTHING. When you're so busy making sure you're in the right place at the right time for your next tour, ship departure, or hotel check-in, it's hard to enjoy the journey. Windstar's Cruise Tours are designed to introduce you to the best of both land and sea in one seamless experience—with transportation, hotels, tours, even select meals all booked and scheduled for you in addition to your cruise. Incredible views by sea and historical sights on land will make our new Asia Cruise Tours as unforgettable as the region itself.

WALK THE GREAT WALL

Discover thousands of years of culture and art as you walk a section of the Great Wall, visit the Terracotta Warrior sculptures and tour the enormous Chinese imperial palace known as the Forbidden City. Spectacular views and rich history combine with delicious cuisine like Peking Duck for a land tour that completely complements your cruise.

Highlights

- Visit the marvel that is the Great Wall of China, the largest man-made structure ever built
- See the Terracotta Warriors, one of the most famous archaeological finds in the world
- Tour the Forbidden City, the Chinese imperial palace from 1420-1912

EXPLORE ANGKOR WAT

Step way back in time and marvel at the masterful architecture and detailed art of the Khmer Empire. See local life in a floating village on Tonle Sap Lake. Observe the battle between man-made art and nature at Ta Prohm. Then check this massive UNESCO site off your bucket list.

Highlights

- Tour Ta Prohm, a part of the Angkor Wat complex that has been virtually untouched from its original state
- Marvel at the brilliant architecture of Angkor Wat, a UNESCO World Heritage Site
- See the sunrise over Angkor Wat, one of the world's best sunrises

DISCOVER KYOTO'S CASTLES

Have your camera charged and ready for the lovely architecture found on this tour. Visit the cypress-wood UNESCO site of Nijo Castle and Osaka Castle, the 16th century famous historic landmark surrounded by 15 acres of carefully landscaped park. And stroll the grounds of the ancient Kinkakuji Temple, also known as the Golden Pavilion for the shimmering gold leaf that covers it.

Highlights

- Tour the UNESCO site of Nijo Castle, built of cypress wood in 1603
- Stroll the gardens of the ancient Golden Pavilion, built in 1397 and covered with shimmering gold leaf
